Re: Southdown, Inc.
CKD Landfill No. 1
Fairborn, Ohio

Dear Ms. Simstad:

As promised at the April 12, 1995 meeting with representatives of Southdown, Inc. (Southdown), Panterra Corporation (Panterra) and Ernie Neal, we are providing this monthly update on activities conducted at the Landfill No. 1 site. The purpose of this update is to keep the Agency informed on the nature and extent of site developments in the event that inquiries arise.

In correspondence dated August 29, 1997, Southdown and USX responded to the Greene Environmental Coalitions' settlement proposal offered at the meeting held on July 1, 1997.

In accordance with the requirements of the most recent settlement conference with Judge Rice, the experts from both parties are to schedule a meeting and site visit at Landfill No. 1. This meeting and visit are expected to occur in September.

I trust that the above is sufficient to keep the Agency informed of the activities performed to date at the Landfill No. 1 site. Should you need additional information, please feel free to contact me at (713) 653-6956.

Sincerely,

Daniel W. Heintz
Vice President
Environmental Affairs
