Re: Southdown, Inc.
CKD Landfill No. 1
Fairborn, Ohio

Dear Ms. **Simstad**:

As promised at the April 12, 1995 meeting with representatives of Southdown, Inc. (Southdown), **Panterra** Corporation (Panterra) and Ernie Neal, we are providing this monthly update on activities conducted at the Landfill No. 1 site. The purpose of this update is to keep the Agency informed on the nature and extent of site developments in the event that inquiries arise.

In February, a **draft** of the Phase II report was distributed to Southdown and USX, Corporation for review and comment. This report documents the evaluation of alternatives for ground water collection systems designed to address surface water discharges at the Landfill No. 1 site. This report is presently under review.

I trust that the above is **sufficient** to keep the Agency informed of the activities performed to date at the Landfill No. 1 site. Should you need additional information, please feel free to contact me at (713) 653-6956.

Sincerely,

Daniel W. Heintz
Vice President
Environmental Affairs
