Re: Southdown, Inc.
CKD Landfill No. 1
Fairborn, Ohio

Dear Ms. **Simstad**:

As promised at the April 12, 1995 meeting with representatives of Southdown, Inc. (Southdown), **Panterra** Corporation (Panterra) and Ernie Neal, we are providing this monthly update on activities conducted at the Landfill No. 1 site. The purpose of this update is to keep the Agency informed on the nature and extent of site developments in the event that inquiries arise.

During the past month, bimonthly measurement of ground water levels and surface water flows were taken and incorporated into the site database. In addition, observation of the pilot test applications of potential CKD cover materials continued.

I trust that the above is sufficient to keep the Agency informed of the activities performed to date at the Landfill No. 1 site. Should you need additional information, please feel free to contact me at (713) 653-6956.

Sincerely,

Daniel W. Heintz
Vice President
Environmental Affairs
